

DEPARTMENT OF HOUSING PRESERVATION AND DEVELOPMENT (HPD)

BEDBUG ANNUAL REPORT

INSTRUCTIONS

REQUIREMENT: Owners of residential buildings with 3 or more residential units are required to annually request information from building occupants about bedbug infestations, and, based on that information and the owner's activities during the year, file a Bedbug Annual Report with HPD. The filing requires information about bedbug infestations and the number of eradications of bedbugs. Property owners must file a Bedbug Annual Report even if the building is bedbug free.

HOW CAN OWNERS FILE: This hard copy form can only be filed by owners who indicate an ownership type of INDIVIDUAL OWNER or JOINT OWNER on their Annual Property Registration. All other owners must submit this information online. You can access the portal for submission by going to HPD's website, searching Bedbugs, and reviewing the tab *labelled Bed Bug Annual Report Requirement* on the Bedbug information page. Note that for both the hard copy form or the electronic reporting, the property must be registered with HPD for HPD to accept this report. Property owners can find out more about property registration and initiate the registration process by clicking on the Register Your Property feature on the homepage of HPD's website (www.nyc.gov/hpd) or by calling **212-863-7000** for Property Registration assistance.

WHAT PERIOD IS THE FILING FOR: The reporting period to be covered in the Bedbug Annual Report is November of the previous year through October of the current year. Property owners will be required to file a Bedbug Annual Report between December 1 and December 31. Once December 31 passes, HPD may issue a violation for failure to file.

PROCESS AFTER FILING: *ALL REQUESTED INFORMATION MUST BE PROVIDED OR THIS FORM WILL BE REJECTED.* After processing a properly completed report, HPD will send the owner a receipt. The owner is required to provide the filing to the tenant, either by posting the report or distributing it to tenants. The property owner is also required to either distribute or post a copy of DOHMH'S Bedbug Information Notice in a prominent public location in the building. This notice provides information about the prevention, detection and removal of bedbug infestation. You can obtain the DOHMH notice here: <https://www.nyc.gov/assets/doh/downloads/pdf/vector/vector-faq1.pdf>.

QUESTIONS ABOUT THIS FORM: If you have questions about how to complete this form, you can contact HPD at 212-863-7437 or email at EnforcementDesk@hpd.nyc.gov.
